MEMORANDUM FOR: Director of Personnel

FROM : John H. Stein
Acting Deputy Director for Operations

SUBJECT : Uniform Promotion System

REFERENCE : Memorandum dated 23 August 1978,
Same Subject

The reference indicated promotion options elected by the Operations Directorate under the Uniform Promotion System. Following further study of the matter, it has been determined that these options should be amended slightly. We now wish to elect promotions for GS-13 personnel in May of each fiscal year rather than in November, and for GS-09 and GS-10 personnel in August rather than in February of each fiscal year. Our elections for personnel in other grades remain as indicated in the reference. A chart reflecting all options, as amended, is attached.
